Revised 7/2018

**FIRST COMMUNITY CREDIT UNION
TERMS AND CONDITIONS OF YOUR BUSINESS ACCOUNT**

Dear Credit Union Member:

This brochure contains the rules which govern your account(s) with us. Please read this brochure carefully. If you sign your signature card or continue to have an account with us, you agree to these rules, our by-laws, and any by-law amendments. You agree that by applying for membership, you authorize the Credit Union, from time to time, to obtain a credit report from any credit reporting agency. You understand that this report may be utilized to determine your eligibility for accounts and services offered by the Credit Union. You agree to pay the fees we charge and you give us the right to collect any fees, as earned, directly from the account balance. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this brochure. If you have any questions, please call us.

This agreement is subject to applicable federal laws and the laws of the state of Missouri (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this brochure is to:

- (1) summarize the existing rules applicable to the more common transactions;
- (2) establish rules to govern transactions or events which the law does not regulate;
- (3) establish rules for certain events or transactions which the law already regulates but permits variation by agreement; and
- (4) give you our funds availability, electronic fund transfers and/or truth-in-savings policy disclosures.

We may permit some variations from this standard agreement, but any variations must be agreed to in writing either on our signature card for the account or in some other written form.

As used in this brochure, the words "FCCU", "we," "our," and "us" mean First Community Credit Union and the words "you" and "your" mean the owner(s) of this account and any "agent" appointed by or on behalf of the owner(s) to sign on the account in a representative capacity.

LIABILITY - Each of you agrees for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges that we impose. You authorize us to deduct these charges as accrued directly from the account balance. You also agree to pay additional reasonable charges we may impose for services you request which are not covered by this agreement. Each of you also agrees to be jointly and individually liable for any account deficit resulting from charges or overdrafts, whether caused by you or another authorized to withdraw from this account, and our costs to collect the deficit including, to the extent permitted by law, our reasonable attorney's fees. You agree that at our option we may suspend your membership rights if you violate the terms of this agreement.

DEPOSITS - Any items, other than cash, accepted for deposit (including items drawn "on us") will be given provisional credit only until collection is final (and actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars). We are not responsible for transactions initiated by mail or outside depository until we actually record them. All transactions received after our "daily cut-off time" on a business day we are open, or received on a day in which we are not open for business, will be treated and recorded as if initiated on the next following business day that we are open. We are prohibited by law from guaranteeing the payment of dividends or that dividends we do pay will be at the contracted rate. We must base our dividend payments to you upon the money we actually earn and that is available for distribution at the end of a dividend period. Unless otherwise agreed, you waive any right to receive any original item after it is paid.

WITHDRAWALS - Unless otherwise clearly indicated to the contrary, any one of you who signs in the space designated for signatures on the signature card, including any agents, may withdraw or transfer all or any part of the account balance at any time on forms approved by us. Each of you (until we receive written notice to the contrary) authorizes each other person signing on the signature card to endorse any item payable to you or your order for deposit to this account or any other transaction with us. We may charge against your account a check, even though payment was made before the date of the check, unless you have given us written notice of the postdating. The fact that we may honor withdrawal requests which overdraw the finally collected account balance does not obligate us to do so, unless required by law. Withdrawals will first be made from collected funds, and we may, unless prohibited by law or our written policy, refuse any withdrawal request against uncollected funds, even if our general practice is to the contrary. We reserve the right to refuse any withdrawal or transfer request which is attempted by any method not specifically permitted, which is for an amount less than any minimum withdrawal requirement, or which exceeds any frequency limitation. Even if we honor a nonconforming request, repeated abuse of the stated limitations (if any) may eventually force us to close this account. We will use the date a transaction is completed by us (as opposed to the day you initiate it) to apply the frequency limitations. We reserve the right to require you to notify us of your intention to withdraw shares or deposits from this account as explained in our by-laws. Withdrawals from a time deposit prior to maturity or prior to the expiration of any notice period may be restricted and may be subject to penalty. See your notice of penalties for early withdrawal.

OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts.

Sole Proprietorship Account - This is an account opened by and in the name of a sole proprietorship as indicated on the signature card. The individual must be a FCCU member or must be eligible for membership in FCCU. If you are doing business under an assumed name, you represent that you have filed a Registration of Fictitious Name or other assumed name document as required by applicable state law. You also agree to notify FCCU in writing in advance of any change in the form, location, or ownership of your business.

Payable On Death Accounts (subject to the Nonprobate Transfers Law of Missouri) *This section applies to Sole Proprietorship accounts only.* You designate as beneficiaries under the Nonprobate Transfers Law of Missouri the beneficiaries named on the signature card for this account and as such, on the death of the owner (or owners, if joint) any account funds remaining on deposit, that are not covered by a separate share agreement(s), are owned by those surviving payable on death beneficiaries. If two or more of you create such an account, you own the account jointly with survivorship. Beneficiaries acquire the right to withdrawal only if: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, such beneficiaries will own the account in equal shares, without right of survivorship. The owner(s) of this account reserves the right at any time to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the deposits. Any payment made by the Credit Union to any beneficiary shall satisfy the requirements of this payable on death provision without necessity of determining whether any other person shall have an interest in the account. If there is more than one owner, all owners must consent to a revocation or change of beneficiaries. The account is subject to the deduction from the account of all charges owing, withdrawals and the payment of all checks or drafts which clear this account in the regular course of business. This account is subject to the Nonprobate Transfers laws of Missouri (RSMo Chap. 461) only to the extent utilized herein. The beneficiaries do not take as lineal descendants per stirpes (no LDPS).

Corporate, Partnership, and other Organizational Accounts - These accounts are opened by and in the name of a corporation, limited liability company (LLC), partnership, or other organization as indicated on the signature card. We will usually require a separate authorization form designating the person permitted to withdraw and the conditions required for withdrawal from any account in the name of a legal entity such as a partnership, corporation, LLC or other organization.

We will honor the authorization according to its terms until it is amended or terminated in writing by the governing body of the organization. The legal entity must reside within FCCU's field of membership to qualify for membership with the Credit Union. You also agree to notify FCCU in writing in advance of any change in the form, location, or ownership of your business.

PLEDGES - Each owner of a business account hereby pledges and grants a security interest in all or any part of this account for any or all loans or other obligations (business and/or consumer, depending on form of organization) and hereby agrees that this account is subject to set-off by, and the statutory lien of, the Credit Union. Any pledge, right to set-off, or statutory lien affecting this account must first be satisfied before the rights of any joint account survivor, pay-on-death beneficiary, or trust account beneficiary become effective. The pledge of shares and security interest created by this paragraph is separate from and in addition to any other lien, pledge, security interest or right of set-off the Credit Union may have created with either owner by other agreement or otherwise. The Credit Union may allow an owner to withdraw shares without waiving its pledge of or security interest in any remaining shares.

STOP-PAYMENTS - A stop-payment order must be given in the manner required by law, must be received in time to give us a reasonable opportunity to act on it, and must precisely identify the number, date and amount of the item, and the payee. Our stop-payment cut-off time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop-payment are provided by law. We will honor a stop-payment request by the person who signed the particular item, and, by any other person, even though such other person did not sign the item, if such other person has an equal or greater right to withdraw from this account than the person who signed the item in question. A release of the stop-payment request may be made only by the person who initiated the stop-payment.

TELEPHONE TRANSFERS - A telephone transfer of funds from this account to another account with us, if otherwise permitted or arranged for, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. We restrict the number of transfers from a savings account to another account, or third parties, to a maximum of six per month (less the number of certain "preauthorized transfers" during the month). Other account transfer restrictions are described elsewhere in this brochure.

AMENDMENTS AND TERMINATION - We may change our by-laws and any term of this agreement. Rules governing changes in dividend rates have been provided separately. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We reserve the right to close this account if your membership in this credit union terminates. You agree to keep us informed about your current address at all times. Notice from us to any one of you is notice to all of you.

STATEMENTS - You will receive a monthly account statement from us (or notice of the availability of your statement) of all transactions on your accounts, unless there are no electronic transfers or transactions in a particular month. In any case, you will receive a statement at least quarterly. If you have a multiple party account, while either party on the account may obtain an account statement, we will send just one account statement to any of the account owners as we determine. If you maintain multiple accounts with us, you understand that we may utilize a consolidated statement that contains account information, including opening and closing balances, deposits and withdrawals made, dividends/interest credited to the account, and any loan balances. You agree that we may include such information related to other accounts on a statement for a multiple party account regardless whether the other person who maintains the multiple party account has any interest in your other accounts. If the consolidated statement is provided electronically, you will be sent a notice via email that will direct you to a site where you may access your statement as otherwise agreed. Emails from us will be sent to the email address provided by any owner. You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized payments or alterations, you must promptly notify us of the relevant facts. If you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we exercised ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items forged or altered by the same wrongdoer. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but that such time will not, in any circumstance, exceed a total of 30 days from when the statement is first made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations, forgeries or any other errors in your account within 60 days of when we make the statement available, you cannot assert a claim against us on any items in that statement, and the loss will be entirely yours. This 60 day limitation is without regard to whether we exercised ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

ACCOUNT TRANSFER - This account may not be transferred or assigned (including any pledge as collateral on a loan) without our prior written consent.

AUTHORIZATIONS - First Community reserves the right to require the commercial member to complete documents informing First Community who is authorized to act on the commercial member's behalf. You agree to notify First Community of any change in the authorizations previously executed. First Community may rely on your written authorization until such time as First Community is informed of changes in writing and has had a reasonable opportunity to act upon such notice. Furthermore, only the business owner may delete a joint owner from an account. No joint owner has the authority to delete anyone off an account.

NAME OR ADDRESS CHANGES - It is your responsibility to notify the credit union upon a change of address or change of name. The credit union is only required to attempt to communicate with you at the most recent address you have provided to the credit union. The credit union may require notice of these changes in writing and may request documentation of these changes.

DIRECT DEPOSITS - If, in connection with a direct deposit plan, we deposit any amount in this account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from this account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

TEMPORARY ACCOUNT AGREEMENT - If this option is selected, this is a temporary account agreement. Each person who signs in the space designated for signatures on the signature card (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

RESTRICTIVE LEGENDS - We are not required to honor any restrictive legend on items you write unless we have agreed to the restriction in a writing signed by an officer of the credit union. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00."

FACSIMILE SIGNATURES - You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen on the signature card or that are filed separately with us, and contain the required number of signatures for this purpose.

RIGHT TO REPAYMENT OF INDEBTEDNESS - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from any account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balance the due date for which we properly accelerate under the note.

Our right to repayment does not apply to this account if: (a) it is an Individual Retirement Account or other tax-deferred retirement account, or (b) the debt is created by a consumer credit transaction under a credit card plan, unless a consensual security interest has been given by you in writing, or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

PAYMENT ORDER OF ITEMS - The law permits us to pay items (such as checks or drafts) drawn on your account in any order. To assist you in handling your account with us, we are providing you with the following information regarding how we process the items that you write. When processing items drawn on your account, our policy is to pay them according to the dollar amount. We pay the smallest items first. The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. Our payment policy minimizes the number of items that may result in an overdraft or NSF fee. If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). The amounts of the overdraft and NSF fees are disclosed elsewhere. We encourage you to make careful records and practice good account management. This will help you to avoid writing checks or drafts without sufficient funds and incurring the resulting fees.

CHECK PROCESSING POLICY - In the event that your check is returned unpaid for insufficient or uncollected funds, we may present your check electronically.

I.D. PRINT - We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine.

ILLEGAL USE OF FINANCIAL SERVICE - Financial services provided by the credit union may only be used for transactions permitted by law. The use of any financial service provided by the Credit Union for an illegal transaction or an illegal purpose is strictly prohibited. If you use a financial service for an illegal transaction or an illegal purpose, then 1) you will be in default under the particular terms of the agreement establishing the financial service, notwithstanding any terms in that agreement to the contrary; 2) at the discretion of the board of directors and at any time thereafter, pursuant to Section 370.340.2 RSMo, as amended from time to time, your membership privileges may be suspended or terminated and/or you may be expelled from membership in the Credit Union; and 3) you waive your right to bring any legal action against the Credit Union that arises out of or relates to such illegal use or any activity directly or indirectly related to such use. You hereby agree to indemnify and hold the Credit Union harmless from any suits or other legal action, or other liability, directly or indirectly resulting from such illegal use, including, where permitted by law, court costs and reasonable attorney's fees.

Electronic "Wholesale Credit" Transactions Subject to Uniform Commercial Code Article 4A Credit given by us to you with respect to an automated clearing house credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e. the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.

We may accept on your behalf payments to your account which have been transmitted through one or more Automated Clearing Houses (ACH) and which are not subject to the Electronic Fund Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the state of New York as provided by the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account.

MASTERCARD AUTOMATIC BILLING UPDATER SERVICE

MasterCard Automatic Billing Updater (ABU) is an account updating service, in which your Card is automatically enrolled. When your Card(s) expire or are lost or stolen and new cards are issued, the ABU service may update relevant card data (card numbers and expiration dates) to participating merchants. If you have authorized a participating merchant to bill your Card for recurring payments, the merchant may access the MasterCard database to seek your account information. The service is provided as a benefit in order to facilitate uninterrupted processing of recurring charges you have authorized. Card numbers and expiration dates are only supplied to merchants who participate in the ABU service. Because not all merchants participate in the ABU service, you should still notify each merchant when your Card number changes in order to permit recurring payments to continue to be charged to your account. You may opt out of the ABU service at any time by calling us at 636-728-3333 or toll free at 800-767-8880 or visiting us in person at one of our branches.

This includes your spouse, minor children and any other person or persons who reside in your household. If the Account is a joint account, all transactions involving the Account are binding on all Account holders.

Currency Conversion. When you use your EXPRESS CheckCard at a merchant that settles in currency other than U.S. dollars, the charge will be converted into U.S. dollar amount. The currency conversion rate used to determine the transaction amount in U.S. dollars is either a government-mandated rate or the wholesale market rate in effect the day before the processing date, increased by 1%. Call or write us at the telephone number or address listed in this brochure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Please refer to our separate fee schedule for the amount we will charge you for each stop payment order you give.

Notice of varying amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

FINANCIAL INSTITUTION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.
2. If you have an overdraft line and the transfer would go over the credit limit.
3. If the automated teller machine where you are making the transfer does not have enough cash.
4. If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.

5. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
6. There may be other exceptions stated in our agreement with you.
7. We fail to receive the necessary transfer data, or the data received is erroneous or incomplete.
8. Your funds are subject to legal process or other encumbrance restricting such transfer(s).

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

1. when it is necessary for completing transfers; or
2. in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
3. in order to comply with government agency or court orders; or
4. as explained in the Privacy Disclosure contained elsewhere in this document.

HOW TO REPORT YOUR CARD LOST OR STOLEN

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call: (636) 728-3333 or 1-800-767-8880 during business hours Monday-Friday 8 am to 7 pm and on Saturday from 8:30 am to 12:30pm central time. After hours and on Sunday, call 1-888-241-2510. If outside the United States, call collect (909) 941-1398. We may also require you to inform us in writing if you believe a transfer has been made using your card, access code, information from your check, or other means without your permission. Write to us at: First Community Credit Union, 17151 Chesterfield Airport Rd, Chesterfield, MO 63005.

LIABILITY FOR UNAUTHORIZED TRANSFERS

You are required to TELL US AT ONCE if you believe your card and/or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your permission, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit).

You are not liable for an unauthorized Visa/MasterCard debit card transaction if you can demonstrate that you have exercised reasonable care in protecting your card or access code from loss or theft and, upon discovering the loss or theft, you promptly reported the loss or theft to us.

For all other EFT transactions involving access devices, your liability for unauthorized transactions is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove that we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code, or other means, TELL US AT ONCE. If you do not tell us within 14 days after the statement was mailed to you, you may not get back any money lost after the 14 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

LIMITATION OF LIABILITY OF FIRST COMMUNITY CREDIT UNION

To the extent not inconsistent with the prior paragraph entitled "Liability", we will be liable only for our own gross negligence or willful misconduct and will not be responsible for any loss or damage arising from or in connections with (1) any inaccuracy, act or failure to act on the part of any person not within our reasonable control or (2) any error, failure or delay in execution of any Transfer resulting from circumstances beyond our reasonable control, including, but not limited to any inoperability of communications facilities or other technological failure. Provided we have complied with our obligations under this Agreement, you agree to indemnify, defend, and hold us harmless against any claim of a third party arising from or in connections with this Agreement or the service we provide hereunder. In no event will we be liable for any consequential, incidental, special or indirect losses, damages, including dishonor of checks or other items, or expenses (including counsel fees), which you may incur or suffer by reason of this Agreement or the services we provided hereunder, whether or not the possibility or likelihood of such loss, damage or expense is known to us.

DUTY TO EXAMINE STATEMENT

You are responsible for the review of your statement and you must contact us in writing within fourteen (14) days after receipt of your monthly statement should you wish to dispute any charges reflected on such statement. Failure to notify us within such time shall conclusively establish that the statement is correct and that the full amount owed under such statement is a valid obligation under the terms of this Agreement.

Write us at: First Community Credit Union, Electronic Services Dept., 17151 Chesterfield Airport Road, Chesterfield, MO 63005.

1. Inform us of your name and Account number.
2. Describe the error or the Transaction you are unsure about, and explain as clearly as you can why you believe it is in error or why you need more information.
3. Inform us of the dollar amount of the suspected error.
4. The signatures of the cardholder must be on the written notification to us.

ERROR RESOLUTION PROCEDURE

ATM SAFETY TIPS

An automated teller machine (ATM) provides a fast and convenient way to perform financial transactions. But, as with any activity involving cash, ATM usage can allow opportunity for theft and fraud. Please take the following precautions for your safety.

1. Memorize your personal identification number (PIN). Do not write it on your ATM card or keep it in your wallet. Never give your PIN to anyone.
2. Be aware of your surroundings. If you notice anyone or anything suspicious, leave the area. Choose a busy, well-lit ATM location and take someone with you at night. If you have any doubts about your safety, make your transaction at another time or location.
3. Have your ATM card and other deposit materials ready before your approach the ATM.
4. Perform your transaction quickly and remove your card. Wait until you are in a safe place to count your money.
5. Take your ATM receipt with you. Important account information could be printed on it.
6. When using a walk-up ATM, block the screen to keep your PIN and transaction private.
7. Report a lost or stolen card immediately. Call (636) 728-3333 or 1-800-767-8880.

You authorize FCCU to deduct any such loss, cost, or expenses from your account without prior notice to you. YOUR ABILITY TO WITHDRAW FUNDS

This disclosure describes your ability to withdraw funds at First Community Credit Union. It only applies to the availability of funds in transaction accounts. The Credit Union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before 6:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. If you make a deposit at an ATM after 6:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open. All ATM deposits are subject to verification and longer delays may apply. Special rules apply for new accounts.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

Case-by-case delays. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. ATM deposits will not be available until the third business day after the day of deposit. All deposits are subject to verification and longer delays may apply.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) that we own will be available on the second business day after the day of deposit, except U.S. Treasury checks that are payable to you deposited at ATMs that we own or operate will be available on the first business day after the day of deposit. Funds from any deposits (cash or checks) made at ATMs we do not own or operate will not be available until the fifth business day after the day of your deposit. All ATMs that we own or operate are identified as our machines. The first \$200 of a deposit made at ATMs we own or operate will be available on the first business day after the day of deposit. Checks drawn on First Community Credit Union will be available on the first business day after the day of deposit if the deposit is made at an ATM located at one of our branches.
