In spite of challenges to the economy, 2021 was a very successful year. We continued to grow our assets and membership to record levels.

In 2021 First Community was once again honored as a Top Work Place in St. Louis and by Forbes Magazine as a Best-in-State credit union. We donated over \$50,000 to local organizations through employee donations and corporate contributions.

In 2021, our credit union reached 3.8 billion in assets and our membership grew to nearly 360,000.

We thank our members for their continued trust in the safety and soundness provided by First Community. We will continue to earn their trust and deliver services that meet their growing needs.
